🎓 Qualified IB Tutor | MPhil in Biological Science

I'm Kingston, a dedicated IB and IGCSE Biology, Science, and Chemistry tutor from the UK. With over a decade of experience in both classroom and online settings, I am passionate about helping students excel in their studies through a tailored and engaging approach that builds confidence and fosters a love for learning.

Teaches: Chemistry Science Biology

Curriculum: IB IGCSE GCSE

Qualifications

University of Cambridge: MPhil in Biological Science (2014-2015)

University of Birmingham: BSc Chemistry, Hons, First Class (2010-2013)

Qualified Online Tutor: (Biology, Chemistry, and Science)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

I began my tutoring career in 2012, working with GCSE students in Birmingham while completing my undergraduate degree. My love for teaching grew as I helped students overcome challenges in Chemistry and Biology, leading many to achieve top grades. After completing my MPhil at Cambridge, I transitioned to full-time tutoring, focusing on IB and IGCSE curricula. Over the past decade, I have tutored hundreds of students, tailoring my lessons to each individual's needs, whether they are preparing for exams or seeking to deepen their understanding of complex topics. One of my proudest moments was guiding a student through the rigorous IB Biology course, where they not only improved their grades significantly but also developed a genuine interest in pursuing a career in environmental science. My approach is student-centered, using a variety of teaching methods to ensure concepts are not only understood but also appreciated.
